

Resolution No. 416

SUPPORT THE REPUBLIC OF KOREA

WHEREAS, the Republic of Korea is a historic democratic ally of the United States, a valuable trading partner, and a key link in the Northeast Asia defense chain. Numerous treaties are in force with the Republic of Korea concerning economic and technical cooperation, education, maritime matters, trade and commerce, and the Mutual Defense Treaty, that was enacted on November 17, 1954; and

WHEREAS, South Korea's immediate neighbor, however, continues to maintain an extremely large and forward-deployed military force capable of launching no-notice offensive operations against South Korea; and

WHEREAS, North Korea continues to escalate tensions in the region by test launching potentially nuclear-capable missiles, including a missile capable of reaching the United States, and conducting six underground nuclear explosions since 2006. It is a known exporter of ballistic missiles and its technology to countries unfriendly to the United States, most notably Iran, and it periodically deploys its armed forces along the demilitarized zone and the Joint Security Area in Panmunjom; and

WHEREAS, the continued unpredictability of North Korea makes the presence of U.S. ground and air forces inside South Korea even more critical as a deterrent to aggression; now, therefore

BE IT RESOLVED, by the Veterans of Foreign Wars of the United States, that we urge the U.S. Government to maintain a substantial military presence in the Republic of Korea, and to increase military aid and assistance through modern weaponry and technology to help promote peace and stability in the region.
