

Resolution No. 619

BURIAL PLOT ALLOWANCE

WHEREAS, the United States Department of Veterans Affairs (VA) pays certain burial benefits at the death of a veteran who dies from a service connected disability. VA pays a different burial benefit and plot allowance on behalf of a wartime veteran who dies from a non-service connected condition; and

WHEREAS, the cost of funeral expenses in the private sector have increased nearly seven times over since 2001 and the current VA benefit is \$2,000 for a service connected death, and \$300 burial and \$749 plot allowance for a qualifying non-service connected death; well below the cost in the private sector; and

WHEREAS, Congress should provide the resources to meet the changing needs of burial benefits and bring burial allowances and plot allowances to the same proportionate level they were when the benefits were joined in 1973; now, therefore

BE IT RESOLVED, by the Veterans of Foreign Wars of the United States, that Congress increase all burial benefits to what the *Independent Budget* recommends: the service connected burial benefit, non-service connected burial benefit and the plot allowance for those veterans who do not have access to a state or national veterans cemetery within 75 miles should not be less than \$6,160, \$1,918, and \$1,150 respectively; and

BE IT FURTHER RESOLVED, that the service connected burial benefit, non-service connected burial benefit and the plot allowance for those veterans who have access to a state or national veterans cemetery but chose burial in a private cemetery should be no less than \$2,793, \$854, and \$1,150 respectively; and

BE IT FURTHER RESOLVED, that Congress should provide the resources required to meet burial needs of all veterans who have served their country so honorably and faithfully.
