

## **Resolution No. 623**

### **VA AUTOMOTIVE ALLOWANCE**

WHEREAS, the Department of Veterans Affairs will issue only one certificate of eligibility for financial assistance in the purchase of a new or used automobile or other conveyance; and

WHEREAS, the Department of Veterans Affairs will provide or assist in providing eligible veterans with a second automobile or other conveyance when the first vehicle purchased with VA financial assistance is destroyed as a result of any natural catastrophe, the destruction was not the veterans fault or the veteran does not receive compensation for the loss from a property insurer; and

WHEREAS, current technology, design and safety advances have reached such a level that automobiles and conveyances are superior to every model produced in the last 50 years; and

WHEREAS, it is impractical to assume veterans who require such assistance would not benefit from better design and equipment changes to make it easier to accomplish daily tasks, attend medical or other appointments and experience an overall better quality of life; and

WHEREAS, veterans who require such assistance are unduly penalized by the narrow scope of this program by virtue of the nature of its being a “one time” benefit; now, therefore

BE IT RESOLVED, by the Veterans of Foreign Wars of the United States, that we urge Congress and the Secretary of Veterans Affairs to remove the unreasonable restrictions of a once in a lifetime grant; and

BE IT FURTHER RESOLVED, that the Secretary of Veterans Affairs authorize veterans, or their duly authorized representatives who are already in receipt of the automotive allowance, those with applications pending, and any future qualified applicant be allowed to reapply for this essential benefit at the end of the sales or lease contract or every 5 years, whichever is greater, so as to maintain a practical quality of life and benefit from current safety and technology standards.
